PETITIONING THE COURT

To modify the conditions of supervision as follows:

- 20 You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.
- 21 You shall abstain from alcohol and shall submit to testing (including urinalysis and Breathalyzer), as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from this substance.

CAUSE

Recent 9th Circuit case law requires the Court specify the number of urine and Breathalyzer tests an offender may be subject to in a given time frame. The Court had previously ordered urine and Breathalyzer testing, but an amount was not specified. The offender has agreed to the modification and has signed a waiver to that effect, which is enclosed for the Court's review. It is requested the Court order the modifications indicated.

Respectfully submitted,
